PREFACE

The State of Nevada allows those who wish to run for a partisan office as a candidate with no political affiliation to run as an independent candidate. An independent candidate is one “who has been nominated for a partisan office but who is registered with no political affiliation...” (Nevada Revised Statutes (NRS) 293.063). The independent candidate may qualify to appear on the General Election ballot by completing a petition process in addition to complying with other candidate filing requirements.

A person may not file as an independent candidate if he/she is proposing to run as a candidate of a political party. An independent candidate may run for a nonpartisan office without using the petition process.

It is important to note that this guide is for general information only and does not have the force and effect of Nevada law, regulation, or rule.

Interested citizens should obtain the most recent version of the NRS, as Nevada’s Election Laws are amended each legislative session. Interested parties should also be aware that election issues are periodically addressed by the Attorney General, or by State or Federal courts. Due to the general scope of this guide, some of these issues may not be addressed here. Interested parties should review Attorney General’s opinions and court decisions, and should contact the Secretary of State or a Nevada attorney with any specific questions.

QUALIFICATIONS FOR INDEPENDENT CANDIDATES

Independent candidates, running for partisan office, must qualify to appear on the General Election ballot. To qualify for *any office other than presidential*, a person must first qualify through the petition process discussed below and then file a Declaration of Candidacy. **Presidential independent candidates** need to refer to NRS 298.109 (found in appendix), as well as the petition requirements provided herein.

THE INDEPENDENT CANDIDATE PETITION

Signatures Required

There are two ways in which an independent candidate can qualify to be placed on the ballot for the 2016 General Election. Both involve the circulation of a petition as follows:

1. Submitting a petition to the filing officer containing a number of valid signatures equal to at least 1% of the total number of ballots cast at the last General Election for the office for which the candidate seeks election. The filing officer will determine the number of signatures needed for the petition (NRS 293.200(1)(b)(1)); **or**
2. Submitting a petition to the filing officer containing 250 valid signatures of registered voters if the candidate is a candidate for statewide office, or containing 100 valid signatures of registered voters if the candidate is a candidate for any office other than a statewide office. (NRS 293.200(1)(b)(2))

The candidate must file a copy of the petition with the appropriate filing officer prior to circulating the document for signatures not earlier than January 4, 2016, and not later than June 3, 2016 (NRS 293.200(1)(a)). After the petition is circulated for signatures, it must be submitted to the County Clerk/Registrar of Voters of the county or counties where it was circulated for signature verification not later than June 3, 2016. (NRS 293.200(2)). Within 2 days after submission, excluding Saturdays, Sundays and holidays, the County Clerk/Registrar shall determine the total number of signatures and forward that information to the Secretary of State. (NRS 293.1276 (1))

Who Signs the Petition

Only registered voters of the county in which the petition is circulated may sign the document. If the office is not a statewide office, only the registered voters of the county, district or municipality in question may sign the petition. (NRS 293.200(2))

NOTE: Any registered voter within the appropriate district may sign the petition. The registered voter who signs the petition may be affiliated with **any** political party and will not lose that party standing or the right to vote in the 2016 Primary or General Election by signing the petition.

PETITION FORMAT

- ▶ The petition may consist of more than one document. (NRS 293.200(2))
- ▶ Each document of the petition may consist of one or more pages and must be bound together. (NRS 293.12758(5). (NAC 293.182(3)(b))
- ▶ Each document must bear the name of a county, and only registered voters of that county may sign the document. (NRS 293.200(2))
- ▶ The petition **may** state the principle, if any, which the candidate represents. (NRS 293.200(3))
- ▶ The petition may not contain the name of more than one candidate for each office to be filled. (NRS 293.200(5))
- ▶ Each document must contain sequentially numbered spaces for the printed name of each person who signs the document, the signature of the person signing, the resident address of the person signing, the name of the county where the person who signs is registered to vote, and the date of the signature. (NRS 293.200(2); NAC 293.182(2)(a))
- ▶ Each document must contain an affidavit of the person who circulated the document. The affidavit must be on the last page of each document and be signed before a person authorized by law to administer oaths in the State of Nevada (a notary public). (NRS 293.200(2); NAC 293.182(2 & 3(c))
- ▶ The circulator is **not** required to be a registered voter in Nevada. (Attorney General Opinion #99-37, dated 12/01/99)
- ▶ Each signature on the petition must be in ink. The County Clerk/Registrar will disregard any signature that is not signed in ink. (NRS 293.12758(4))
- ▶ Each page of the document must be sequentially numbered. The County Clerk/Registrar cannot accept a petition unless each page, including blank pages of the petition, is numbered. (NRS 293.12758(3))

NOTE: Sample petition is provided in the Appendix.

**THE SECRETARY OF STATE DOES NOT APPROVE THE LEGALITY
OF THE PETITION LANGUAGE OR THE PETITION FORM**

VERIFICATION PROCESS

1. All documents must be submitted to the appropriate County Clerk/Registrar at the same time. The County Clerk/Registrar shall issue the person submitting the petition a receipt stating the number of documents submitted, the number of pages of each document, and the number of signatures declared to be on the petition. The County Clerk/Registrar counts the **total** number of signatures on the petition and forwards that number to the Secretary of State. This is the “**raw count.**” (NRS 293.1276(1); 293.12758)

Time frame: The County Clerk/Registrar must complete the **raw count** within 2 days of receipt of the petition (excluding Saturdays, Sundays, holidays and the day the petition is received). (NRS 293.1276(1))

2. Based on the raw count information received from the County Clerk/Registrar, the Secretary of State determines whether the number of signatures is 100% of the number needed. If the **raw count** indicates that the petition contains less than 100% of the signatures needed, the Secretary of State notifies the person who submitted the petition and the County Clerk/Registrar that no further action will be taken on the petition. If the **raw count** indicates that the petition contains more than 100% of the signatures needed, the Secretary of State notifies the County Clerk/Registrar. (NRS 293.1276(2); NRS 293.1277(1))

Time frame: Immediately after the Secretary of State receives the **raw count** from all counties in which the petition was circulated. (NRS 293.1277(1))

3. If the Secretary of State notifies the County Clerk/Registrar that the petition contains the number of signatures needed for it to be sufficient, the County Clerk/Registrar begins actually examining the signatures. The clerk will verify either 500 of the signatures or randomly sample 5% of the total signatures submitted (whichever is greater). The Secretary of State is notified of the result by the filing of a Certificate of Results of the signature verification. (NRS 293.1277(2 & 4))

Time frame: Signature verification must be completed within 3 days (excluding Saturdays, Sundays, holidays and the day the Secretary of State’s notification is received) after the County Clerk/Registrar receives notification from the Secretary of State to begin signature verification. (NRS 293.1277(1))

DETERMINATION OF SUFFICIENCY

The Secretary of State determines whether or not the petition is sufficient based on the County Clerks/Registrars' certified results of the signature verification.

1. If the Secretary of State finds that the number of valid signatures is **less than 100%** of the number of registered voters required to declare the petition sufficient (or less than 90% if the verification was conducted pursuant to a random sampling):

Result: The petition **fails to qualify**, and the Secretary of State shall immediately notify the petitioners and the County Clerks/Registrars. No further action is taken. (NRS 293.1278(1))

2. If the Secretary of State finds that the number of valid signatures, not including those who requested their signature to be removed before verification, is **equal to or greater than 100%** of the number of registered voters required to declare the petition sufficient:

Result: The petition is **deemed qualified** as of the date the Secretary of State receives the final certificates of results. The Secretary of State immediately notifies the County Clerks/Registrars and the petitioners. The name of the independent candidate must be placed on the general election ballot and the independent candidate must file the appropriate filing fee and declaration with filing officer during the prescribed period. (NRS 293.1278(2); 293.200)

3. If the signature verification was conducted pursuant to a **random sampling** of the greater of 500 signatures or 5% of the total contained on the petition, and the Secretary of State finds the number of valid signatures, not including those who requested their signature to be removed before verification, is **90% or greater, but less than 100%**, of the required number of registered voters needed to declare the petition sufficient:

Result: The Secretary of State directs the County Clerks/Registrars to **reexamine the signatures** for verification. The County Clerks/Registrars will reexamine the signatures for verification until the **earlier of:** (a) Determining that the **number of valid signatures is 100%** of the number needed to declare the petition sufficient; or (b) Examining **all the signatures** on the petition. If the candidate petition is for a statewide or multi-county office and the number of valid signatures in a particular county falls below a certain threshold, the Secretary of State may require the Clerk/Registrar of that County to examine every signature.

The County Clerks/Registrars must complete this process **within 5 working days** after receiving the order of the Secretary of State.

After completing the reexamination of signatures for verification, the County Clerks/Registrars will forward an **amended certificate of results** to the Secretary of State. (NRS 293.1279; 293.1278(2))

FILING AN APPEAL

If an independent candidate petition fails for lack of signatures, the person who submitted the petition may challenge the signature verification by filing an appeal with the Secretary of State. The appeal must:

- a. Be filed within 5 working days after receipt of the Secretary of State's notification of the determination of sufficiency;
- b. Include the reasons for the appeal; and
- c. Include a statement of the number of signatures, if any, that the County Clerk/Registrar determined were invalid.

If the appeal is based on the results of the signature verification, the Secretary of State shall:

- a. If the Secretary of State agrees with the person who filed the appeal, order the County Clerk/Registrar to re-certify the petition to include all contested signatures, which the Secretary of State determines are valid as verified signatures; or
- b. If the Secretary of State does not agree with the person who filed the appeal, notify that person and the County Clerk/Registrar that the petition remains insufficient.

If the Secretary of State is unable to make a decision on the appeal based upon the documents submitted, he may order the County Clerk/Registrar to re-verify the signatures. **The decision of the Secretary of State is a final decision for the purposes of judicial review.** The decision of the Secretary of State may be appealed, but only in the First Judicial District Court in Carson City, Nevada. (NRS 293.12793; 293.12795)

DECLARATION OF CANDIDACY

An independent candidate for partisan office must file a **Declaration of Candidacy** and pay the statutory filing fee with the proper filing officer at any time from **Monday, March 7, 2016, through 5:00 p.m. Friday, March 18, 2016.** (NRS 293.200(11))

“Filing officer” means the Secretary of State, County or City Clerk or any other officer authorized by law to receive designations and declarations of candidacy, certificates and acceptances of nomination or any other nomination papers. (NRS 293.057)

For United States Senators, Representatives in Congress, statewide offices, State Senators and Assemblymen to be elected from districts comprising more than one county, and all other offices whose districts comprise more than one county, the filing officer shall be the Secretary of State. (NRS 293.185(1))

For Representatives in Congress and district offices voted for wholly within one county, State Senators and Assemblymen to be elected from districts comprising but one or part of one county, county and township officers, the filing officer shall be the county clerk. (NRS 293.185(2))

At each building that is open to the general public and occupied by the government of this State or a political subdivision of this State or an agency thereof, other than a building of a public elementary or secondary school, an area must be designated for the use of any person to gather signatures on a petition at any time that the building is open to the public. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

NRS 293.1277 Verification of signatures by county clerks; regulations. [Effective January 1, 2014.]

1. If the Secretary of State finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, the Secretary of State shall immediately so notify the county clerks. Within 9 days, excluding Saturdays, Sundays and holidays, after notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in the county clerk's county and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained or fully contained within the county clerk's county. For the purpose of verification pursuant to this section, the county clerk shall not include in his or her tally of total signatures any signature included in the incorrect petition district.

2. Except as otherwise provided in subsection 3, if more than 500 names have been signed on the documents submitted to a county clerk, the county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn

in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater. If documents were submitted to the county clerk for more than one petition district wholly contained within that county, a separate random sample must be performed for each petition district.

3. If a petition district comprises more than one county and the petition is for an initiative or referendum proposing a constitutional amendment or a statewide measure, and if more than 500 names have been signed on the documents submitted for that petition district, the appropriate county clerks shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerks within the petition district is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures presented in the petition district, whichever is greater. The Secretary of State shall determine the number of signatures that must be verified by each county clerk within the petition district.

4. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, the county clerk shall ensure that every application in the file is examined, including any application in his or her possession which may not yet be entered into the county clerk's records. Except as otherwise provided in subsection 5, the county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his or her determination.

5. If:

(a) Pursuant to [NRS 293.506](#), a county clerk establishes a system to allow persons to register to vote by computer; or

(b) A person registers to vote pursuant to [NRS 293D.230](#) and signs his or her application to register to vote using a digital signature or an electronic signature,

☐ the county clerk may rely on such other indicia as prescribed by the Secretary of State in making his or her determination.

6. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, when the county clerk is determining the number of registered voters who signed the documents from each petition district contained fully or partially within the county clerk's county, he or she must use the statewide voter registration list available pursuant to [NRS 293.675](#).

7. Except as otherwise provided in subsection 9, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of the examination, including the tally of signatures by petition district, if required, and transmit the documents with the certificate to the Secretary of State. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, if a petition district comprises more than one county, the appropriate county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the certificate. A copy of this certificate must be filed in the clerk's office. When the county clerk transmits the certificate to the Secretary of State, the county clerk shall notify the Secretary of State of the number of requests to remove a name received by the county clerk pursuant to [NRS 295.055](#) or [306.015](#).

8. A person who submits a petition to the county clerk which is required to be verified pursuant to [NRS 293.128](#), [293.172](#), [293.200](#), [295.056](#), [298.109](#), [306.035](#) or [306.110](#) must be allowed to witness the verification of the signatures. A public officer who is the subject of a recall petition must also be allowed to witness the verification of the signatures on the petition.

9. For any petition containing signatures which are required to be verified pursuant to the provisions of [NRS 293.200](#), [306.035](#) or [306.110](#) for any county, district or municipal office within one county, the county clerk shall not transmit to the Secretary of State the documents containing the signatures of the registered voters.

10. The Secretary of State shall by regulation establish further procedures for carrying out the provisions of this section.

(Added to NRS by [1985, 1090](#); A [1987, 1361](#); [1993, 2665](#); [1995, 2257](#); [1997, 750](#); [1999, 2147](#); [2001, 641](#); [2009, 2588](#); [2011, 1784](#), [2083](#), [3271](#); [2013, 29](#), effective January 1, 2014)

NRS 293.1278 Qualification or disqualification of petition upon receipt of certificates or amended certificates by Secretary of State.

1. If the certificates received by the Secretary of State from all the county clerks establish that the number of valid signatures is less than 90 percent of the required number of registered voters, the petition shall be deemed to have failed to qualify, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

2. If those certificates establish that the number of valid signatures is equal to or more than the sum of 100 percent of the number of registered voters needed to make the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to [NRS 295.055](#) or [306.015](#) and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, that the petition has the minimum number of signatures required for each petition district, the petition shall be deemed to qualify as of the date of receipt by the Secretary of State of those certificates, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

3. If the certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient but the petition fails to qualify pursuant to subsection 2, each county clerk who received a request to remove a name pursuant to [NRS 295.055](#) or [306.015](#) shall remove each name as requested, amend the certificate and transmit the amended certificate to the Secretary of State. If the amended certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, that the petition has the minimum number of signatures required for each petition district, the petition shall be deemed to qualify as of the date of receipt by the Secretary of State of the amended certificates, and the Secretary of State shall immediately so notify the petitioners and the county clerks.(Added to NRS by 1985, 1091; A [1993, 2666](#); [2001, 642](#); [2009, 2589](#); [2011, 1786, 3273](#))

NRS 293.1279 Qualification or disqualification of petition upon verification of signatures; regulations.

1. If the statistical sampling shows that the number of valid signatures filed is 90 percent or more, but less than the sum of 100 percent of the number of signatures of registered voters needed to declare the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to [NRS 295.055](#) or [306.015](#), the Secretary of State shall order the county clerks to examine the signatures for verification. The county clerks shall examine the signatures for verification until they determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid. If the county clerks received a request to remove a name pursuant to [NRS 295.055](#) or [306.015](#), the county clerks may not determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid until they have removed each name as requested pursuant to [NRS 295.055](#) or [306.015](#).

2. Except as otherwise provided in this subsection, if the statistical sampling shows that the number of valid signatures filed in any county is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county plus the total number of requests to remove a name received by the county clerk in that county pursuant to [NRS 295.055](#) or [306.015](#), the Secretary of State may order the county clerk in that county to examine every signature for verification. If the county clerk received a request to remove a name pursuant to [NRS 295.055](#) or [306.015](#), the county clerk may not determine that 100 percent or more of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county are valid until the county clerk has removed each name as requested pursuant to [NRS 295.055](#) or [306.015](#). In the case of a petition for initiative or referendum that proposes a constitutional amendment or statewide measure, if the statistical sampling shows that the number of valid signatures in any petition district is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters required for that petition district pursuant to [NRS 295.012](#) plus the total number of requests to remove a name received by the county clerk or

county clerks, if the petition district comprises more than one county, pursuant to [NRS 295.055](#), the Secretary of State may order a county clerk to examine every signature for verification.

3. Within 12 days, excluding Saturdays, Sundays and holidays, after receipt of such an order, the county clerk or county clerks shall determine from the records of registration what number of registered voters have signed the petition and, if appropriate, tally those signatures by petition district. If necessary, the board of county commissioners shall allow the county clerk additional assistants for examining the signatures and provide for their compensation. In determining from the records of registration what number of registered voters have signed the petition and in determining in which petition district the voters reside, the county clerk must use the statewide voter registration list. The county clerk may rely on the appearance of the signature and the address and date included with each signature in determining the number of registered voters that signed the petition.

4. Except as otherwise provided in subsection 5, upon completing the examination, the county clerk or county clerks shall immediately attach to the documents of the petition an amended certificate, properly dated, showing the result of the examination and shall immediately forward the documents with the amended certificate to the Secretary of State. A copy of the amended certificate must be filed in the county clerk's office. In the case of a petition for initiative or referendum to propose a constitutional amendment or statewide measure, if a petition district comprises more than one county, the county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the amended certificate.

5. For any petition containing signatures which are required to be verified pursuant to the provisions of [NRS 293.165](#), [293.200](#), [306.035](#) or [306.110](#) for any county, district or municipal office within one county, the county clerk shall not forward to the Secretary of State the documents containing the signatures of the registered voters.

6. Except for a petition to recall a county, district or municipal officer, the petition shall be deemed filed with the Secretary of State as of the date on which the Secretary of State receives certificates from the county clerks showing the petition to be signed by the requisite number of voters of the State.

7. If the amended certificates received from all county clerks by the Secretary of State establish that the petition is still insufficient, the Secretary of State shall immediately so notify the petitioners and the county clerks. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

8. The Secretary of State shall adopt regulations to carry out the provisions of this section. (Added to NRS by 1985, 1091; A 1985, 551; 1987, 1362; [1993, 2666](#); [1997, 751](#); [1999, 2148](#); [2001, 642](#); [2003, 2174](#); [2007, 2742](#); [2009, 2590](#); [2011, 1786](#), [3273](#))

NRS 293.12793 Appeal with Secretary of State contesting verification of signatures; notification of public officer who is subject of petition to recall; consideration and investigation of allegations.

1. If the Secretary of State determines that the total number of signatures that the county clerks have certified pursuant to [NRS 293.1277](#) or [293.1279](#) is less than 100 percent of the number of registered voters needed to make the petition sufficient, the person who submitted the petition may contest the verification of the signatures by filing an appeal with the Secretary of State. The appeal must:

- (a) Be filed within 5 working days after receipt of notification of the determination of the Secretary of State;
- (b) Include each reason for the appeal; and
- (c) Include a statement of the number of signatures, if any, that the county clerk determined were invalid.

2. The Secretary of State shall:

- (a) If the petition was circulated pursuant to [chapter 306](#) of NRS, immediately notify the public officer who is the subject of the petition of the appeal by the person who submitted the petition; and
 - (b) Consider the allegations and conduct an investigation, if necessary.

NRS 293.12795 Action by Secretary of State upon review of appeal; judicial review of decision of Secretary of State.

1. If an appeal is based upon the results of the verification of signatures on a petition performed pursuant to [NRS 293.1277](#) or [293.1279](#), the Secretary of State shall:

(a) If the Secretary of State finds for the appellant, order the county clerk to recertify the petition, including as verified signatures all contested signatures which the Secretary of State determines are valid. If the county clerk has not yet removed each name as requested pursuant to [NRS 295.055](#) or [306.015](#), the county clerk shall do so before recertifying the petition.

(b) If the Secretary of State does not find for the appellant, notify the appellant and the county clerk that the petition remains insufficient.

2. If the Secretary of State is unable to make a decision on the appeal based upon the documents submitted, the Secretary of State may order the county clerk to reverify the signatures.

3. The decision of the Secretary of State is a final decision for the purposes of judicial review. The decision of the Secretary of State may only be appealed in the First Judicial District Court. (Added to NRS by [1993, 2664](#); A [2001, 643](#))

Senate Bill No. 499—Committee on
Legislative Operations and
Elections

CHAPTER.....

AN ACT relating to elections; revising deadlines by which certain signature petitions of minor political parties and independent candidates for office must be submitted and filed; revising deadlines by which signatures of certain signature petitions must be verified; revising deadlines by which certain vacancies in nominations for office must be filled; revising deadlines by which certain challenges to candidacies must be filed; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the names of candidates for a partisan office of a minor political party do not appear on the ballot at a primary election. Instead, if the minor political party has qualified as such, either by receiving a certain percentage of votes at the preceding election or by collecting a certain number of signatures, the party can name one candidate for each partisan office, and the name of each such candidate must appear on the general election ballot. (NRS 293.1715) The names of independent candidates for a partisan office also do not appear on the ballot at a primary election. Instead, a person wishing to run as an independent candidate can be named as such on the general election ballot if he or she files a petition with a certain number of signatures. (NRS 293.200) This bill changes the deadlines by which those petitions for minor political parties and independent candidates must be filed and the deadlines for verifying the signatures on those petitions. Under existing law, if a minor political party wishes to place a candidate on the ballot for a general election by collecting a certain number of signatures, it must file the petition with the signatures with the Secretary of State not later than the third Friday in May before the general election. (NRS 293.1715) It must also have submitted the petition with the signatures to the applicable county clerk not later than 25 days before that May deadline. (NRS 293.172) A person wishing to run as an independent candidate must file a petition with the requisite number of signatures not later than the second Friday after the first Monday in March, and must have submitted a copy of the petition not later than 25 days before that March deadline. (NRS 293.200) A county clerk who receives those petitions must verify the signatures on the petitions within 25 days. (NRS 293.1276, 293.1277, 293.1279)

Sections 8 and 15.5 of this bill change the deadlines for minor political parties and independent candidates, respectively, to file their petitions with signatures to the third Friday in June before the general election. **Sections 9 and 15.5** of this bill change the deadlines for submitting those petitions to the county clerk to not later than 10 days before the filing deadline. **Sections 2-4** of this bill change the deadline for a county clerk to verify the signatures on each petition from 25 days to 10 days. Under existing law, certain vacancies in nominations must be filled not later than the fourth Friday in June of an election year. (NRS 293.165, 293.166, 293.368) **Sections 5, 6 and 21** of this bill change that deadline to the fourth Friday in July of an election year. Existing law requires a challenge to the qualification of a minor political party to place the names of candidates on the ballot to be filed in a district court not later

than the third Friday in June of an election year. (NRS 293.174) **Section 10** of this bill changes that deadline to the fourth Friday in June. A challenge to the candidacy of an independent candidate must also be filed in district court not later than the third Friday in June. (NRS 293.200) **Section 15.5** of this bill requires that any challenge to the sufficiency of a petition of an independent candidate must be filed in district court also not later than the fourth Friday in June of an election year.

Under existing law, in certain situations in which only one major political party has candidates for a partisan office and there are no minor political party or independent candidates for the office, a primary election is not held and the names of the candidates of the major political party all appear on the ballot at the general election. (NRS 293.260) **Section 17** of this bill provides that, if a major political party has two or more candidates for an office, there must be a primary election regardless of whether there are any minor political party or independent candidates for the office.

Sec. 3. NRS 293.1277 is hereby amended to read as follows:

293.1277 1. If the Secretary of State finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, the Secretary of State shall immediately so notify the county clerks. ~~[Within 9 days, excluding Saturdays, Sundays and holidays, after]~~ *After the* notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in the county clerk's county and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained or fully contained within the county clerk's county. *This determination must be completed within 9 days, excluding Saturdays, Sundays and holidays, after the notification pursuant to this subsection regarding a petition containing signatures which are required to be verified pursuant to NRS 293.128, 295.056, 298.109, 306.035 or 306.110, and within 3 days, excluding Saturdays, Sundays and holidays, after the notification pursuant to this subsection regarding a petition containing signatures which are required to be verified pursuant to NRS 293.172 or 293.200.* For the purpose of verification pursuant to this section, the county clerk shall not include in his or her tally of total signatures any signature included in the incorrect petition district.

2. Except as otherwise provided in subsection 3, if more than 500 names have been signed on the documents submitted to a county clerk, the county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater. If documents were submitted to the county clerk for more than one petition district wholly contained within that county, a separate random sample must be performed for each petition district.

3. If a petition district comprises more than one county and the petition is for an initiative or referendum proposing a constitutional amendment or a statewide measure, and if more than 500 names have been signed on the documents submitted for that petition district, the appropriate county clerks shall examine the signatures

by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerks within the petition district is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures presented in the petition district, whichever is greater. The Secretary of State shall determine the number of signatures that must be verified by each county clerk within the petition district.

4. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, the county clerk shall ensure that every application in the file is examined, including any application in his or her possession which may not yet be entered into the county clerk's records. Except as otherwise provided in subsection 5, the county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his or her determination.

5. If:

(a) Pursuant to NRS 293.506, a county clerk establishes a system to allow persons to register to vote by computer; or

(b) A person registers to vote pursuant to NRS 293D.230 and signs his or her application to register to vote using a digital signature or an electronic signature,

the county clerk may rely on such other indicia as prescribed by the Secretary of State in making his or her determination.

6. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, when the county clerk is determining the number of registered voters who signed the documents from each petition district contained fully or partially within the county clerk's county, he or she must use the statewide voter registration list available pursuant to NRS 293.675.

7. Except as otherwise provided in subsection 9, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of the examination, including the tally of signatures by petition district, if required, and transmit the documents with the certificate to the Secretary of State. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, if a petition district comprises more than one county, the appropriate county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section

to complete the certificate. A copy of this certificate must be filed in the clerk's office. When the county clerk transmits the certificate to the Secretary of State, the county clerk shall notify the Secretary of State of the number of requests to remove a name received by the county clerk pursuant to NRS 295.055 or 306.015.

8. A person who submits a petition to the county clerk which is required to be verified pursuant to NRS 293.128, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110 must be allowed to witness the verification of the signatures. A public officer who is the subject of a recall petition must also be allowed to witness the verification of the signatures on the petition.

9. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not transmit to the Secretary of State the documents containing the signatures of the registered voters.

10. The Secretary of State shall by regulation establish further procedures for carrying out the provisions of this section.

Sec. 4. NRS 293.1279 is hereby amended to read as follows:

293.1279 1. If the statistical sampling shows that the number of valid signatures filed is 90 percent or more, but less than the sum of 100 percent of the number of signatures of registered voters needed to declare the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or 306.015, the Secretary of State shall order the county clerks to examine the signatures for verification. The county clerks shall examine the signatures for verification until they determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid. If the county clerks received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerks may not determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid until they have removed each name as requested pursuant to NRS 295.055 or 306.015.

2. Except as otherwise provided in this subsection, if the statistical sampling shows that the number of valid signatures filed in any county is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county plus the total number of requests to remove a name received by the county clerk in that county pursuant to NRS 295.055 or 306.015, the Secretary of State may order the county clerk in that county to examine every

signature for verification. If the county clerk received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerk may not determine that 100 percent or more of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county are valid until the county clerk has removed each name as requested pursuant to NRS 295.055 or 306.015. In the case of a petition for initiative or referendum that proposes a constitutional amendment or statewide measure, if the statistical sampling shows that the number of valid signatures in any petition district is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters required for that petition district pursuant to NRS 295.012 plus the total number of requests to remove a name received by the county clerk or county clerks, if the petition district comprises more than one county, pursuant to NRS 295.055, the Secretary of State may order a county clerk to examine every signature for verification.

3. ~~[Within 12 days, excluding Saturdays, Sundays and holidays, after]~~ *After the* receipt of such an order, the county clerk or county clerks shall determine from the records of registration what number of registered voters have signed the petition and, if appropriate, tally those signatures by petition district. *This determination must be completed within 12 days, excluding Saturdays, Sundays and holidays, after the receipt of an order regarding a petition containing signatures which are required to be verified pursuant to NRS 293.128, 295.056, 298.109, 306.035 or 306.110, and within 5 days, excluding Saturdays, Sundays and holidays, after the receipt of an order regarding a petition containing signatures which are required to be verified pursuant to NRS 293.172 or 293.200.* If necessary, the board of county commissioners shall allow the county clerk additional assistants for examining the signatures and provide for their compensation. In determining from the records of registration what number of registered voters have signed the petition and in determining in which petition district the voters reside, the county clerk must use the statewide voter registration list. The county clerk may rely on the appearance of the signature and the address and date included with each signature in determining the number of registered voters that signed the petition.

4. Except as otherwise provided in subsection 5, upon completing the examination, the county clerk or county clerks shall immediately attach to the documents of the petition an amended certificate, properly dated, showing the result of the examination

and shall immediately forward the documents with the amended certificate to the Secretary of State. A copy of the amended certificate must be filed in the county clerk's office. In the case of a petition for initiative or referendum to propose a constitutional amendment or statewide measure, if a petition district comprises more than one county, the county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the amended certificate.

5. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not forward to the Secretary of State the documents containing the signatures of the registered voters.

6. Except for a petition to recall a county, district or municipal officer, the petition shall be deemed filed with the Secretary of State as of the date on which the Secretary of State receives certificates from the county clerks showing the petition to be signed by the requisite number of voters of the State.

7. If the amended certificates received from all county clerks by the Secretary of State establish that the petition is still insufficient, the Secretary of State shall immediately so notify the petitioners and the county clerks. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

8. The Secretary of State shall adopt regulations to carry out the provisions of this section.

Sec. 5. NRS 293.165 is hereby amended to read as follows:

293.165 1. Except as otherwise provided in NRS 293.166, a vacancy occurring in a major or minor political party nomination for a partisan office may be filled by a candidate designated by the party central committee of the county or State, as the case may be, of the major political party or by the executive committee of the minor political party subject to the provisions of subsections 3, 4 and 5.

2. A vacancy occurring in a nonpartisan office or nomination for a nonpartisan office after the close of filing and before 5 p.m. of the fourth Friday in ~~June~~ **July** of the year in which the general election is held must be filled by the person who receives or received the next highest vote for the nomination in the primary election if a primary election was held for that nonpartisan office. If no primary election was held for that nonpartisan office or if there was not more than one person who was seeking the nonpartisan nomination in the primary election, a person may become a

candidate for the nonpartisan office at the general election if the person files a declaration of candidacy or acceptance of candidacy, and pays the fee required by NRS 293.193, on or after 8 a.m. on the third Monday in June and before 5 p.m. on the fourth Friday in ~~June~~ July.

3. If a vacancy occurs in a major political party nomination for a partisan office after the primary election and before 5 p.m. on the fourth Friday in ~~June~~ July of the year in which the general election is held and:

(a) The vacancy occurs because the nominee dies or is adjudicated insane or mentally incompetent, the vacancy may be filled by a candidate designated by the party central committee of the county or State, as the case may be, of the major political party.

(b) The vacancy occurs for a reason other than the reasons described in paragraph (a), the nominee's name must remain on the ballot for the general election and, if elected, a vacancy exists.

4. No change may be made on the ballot for the general election after 5 p.m. on the fourth Friday in ~~June~~ July of the year in which the general election is held. If, after that time and date:

(a) A nominee dies or is adjudicated insane or mentally incompetent; or

(b) A vacancy in the nomination is otherwise created,
⇒ the nominee's name must remain on the ballot for the general election and, if elected, a vacancy exists.

5. All designations provided for in this section must be filed on or before 5 p.m. on the fourth Friday in ~~June~~ July of the year in which the general election is held. In each case, the statutory filing fee must be paid and an acceptance of the designation must be filed on or before 5 p.m. on the date the designation is filed.

Sec. 6. NRS 293.166 is hereby amended to read as follows:

293.166 1. A vacancy occurring in a party nomination for the office of State Senator, Assemblyman or Assemblywoman from a legislative district comprising more than one county may be filled as follows, subject to the provisions of subsections 2, 3 and 4. The county commissioners of each county, all or part of which is included within the legislative district, shall meet to appoint a person who is of the same political party as the former nominee and who actually, as opposed to constructively, resides in the district to fill the vacancy, with the chair of the board of county commissioners of the county whose population residing within the district is the greatest presiding. Each board of county commissioners shall first meet separately and determine the single candidate it will nominate to fill the vacancy. Then, the boards shall

meet jointly and the chairs on behalf of the boards shall cast a proportionate number of votes according to the percent, rounded to the nearest whole percent, which the population of its county is of the population of the entire district. Populations must be determined by the last decennial census or special census conducted by the Bureau of the Census of the United States Department of Commerce. The person who receives a plurality of these votes is appointed to fill the vacancy. If no person receives a plurality of the votes, the boards of county commissioners of the respective counties shall each as a group select one candidate, and the nominee must be chosen by drawing lots among the persons so selected.

2. If a vacancy occurs in a party nomination for the office of State Senator, Assemblyman or Assemblywoman from a legislative district comprising more than one county after the primary election and before 5 p.m. on the fourth Friday in ~~June~~ **July** of the year in which the general election is held and:

(a) The vacancy occurs because the nominee dies or is adjudicated insane or mentally incompetent, the vacancy may be filled pursuant to the provisions of subsection 1.

(b) The vacancy occurs for a reason other than the reasons described in paragraph (a), the nominee's name must remain on the ballot for the general election and, if elected, a vacancy exists.

3. No change may be made on the ballot for the general election after 5 p.m. on the fourth Friday in ~~June~~ **July** of the year in which the general election is held. If, after that time and date:

(a) A nominee dies or is adjudicated insane or mentally incompetent; or

(b) A vacancy in the nomination is otherwise created,
☞ the nominee's name must remain on the ballot for the general election and, if elected, a vacancy exists.

4. The designation of a nominee pursuant to this section must be filed with the Secretary of State on or before 5 p.m. on the fourth Friday in ~~June~~ **July** of the year in which the general election is held, and the statutory filing fee must be paid with the designation.
